

## **Declaration according to regulation (EU) 2019/1021 (POP)**

Regulation (EU) 2019/1021 about persistent organic pollutants (POP) deals with the protection of the human health and the environment against these substances by a preferably early elimination of production or accordingly by the limitation to a minimum regarding manufacturing, placing on the market and usage of these substances. Furthermore, the regulation defines provisions about waste which consist of these substances, in which these substances are contained, or which are contaminated by these substances.

We hereby declare to the best of our knowledge, that our products are in compliance with the POPs Regulation and do not contain substances subject to prohibitions listed in Annex I to Regulation (EU) 2019/1021 and amended by Regulation (EU) 2020/784/EU. We continue to follow the update of the POPs regulation and ensure the conformity of our products. We are aware of the responsibilities for protecting the environment and human health.

The statements made here are mainly based on the information given by the manufacturer, their suppliers and our suppliers for our entire product portfolio. Please note that this statement only applies to the condition of the material when shipped from our factory. LUX-IDent s.r.o. will not assume any liability for other materials or processes used in combination with the products mentioned here.
